

An abstract, vibrant painting featuring a central figure with a large, expressive eye and a long, red, segmented tongue. The figure is surrounded by swirling, colorful brushstrokes in shades of blue, green, yellow, and red. There are also heart shapes and other organic forms scattered throughout the composition.

## WHAT?

Do you have a favourite animal you associate with?

This workshop is all about exploring the characteristics of your favourite animal(s) through painting & mark making with other tools, collage, colour, & texture.

It's all about PLAY and enjoying the act of painting.

You do not have to have any previous experience of painting to attend. But if you do that is great too!
